

Postify Privacy Policy

Last Updated: February 1, 2026

This Privacy Policy describes how ASHdeveloper ("we," "our," or "us") collects, uses, and discloses information in connection with the Postify mobile application (the "App" or "Service").

By using Postify, you acknowledge that you have read and understood this Privacy Policy and consent to the data practices described herein.

1. Introduction

We collect and process information to provide, maintain and improve the Service. By using the Service you acknowledge this Policy and consent to these practices as described below.

2. Information We Collect

We collect various categories of information to provide, maintain, and improve our Service.

2.1 Personal Information

We may collect personal information that can be used to identify or contact you, including:

- Name
- Email address
- Profile picture
- User-generated content and preferences

2.2 Resume Data

When you use our resume fetching feature, we may collect and process information from your resume, which may include:

- Professional experience and employment history
- Title or Role
- Skills and competencies
- Any other information you choose to include in your resume

Important: Resume data is processed solely to provide the requested functionality and is handled in accordance with this Privacy Policy. We do not share your resume data with third parties for marketing purposes.

2.3 User-Generated Content

When you use the Service to create or publish posts, we collect and store user-generated content, including:

- Text content of posts
- Images uploaded or generated by the user
- Post metadata (such as creation time and preferences)

This data is stored solely to provide core app functionality, including content generation, saving, editing, and retrieval of posts. User-generated content is not shared with third parties for advertising or marketing purposes.

User-generated content, including text and images, is securely stored and processed using third-party service providers such as Firebase (for data storage and authentication) and Cloudinary (for image storage and

delivery). Content may also be processed by third-party AI service providers strictly for content generation and improvement of the Service. All third-party providers are used solely to operate and improve the Service and in accordance with this Privacy Policy.

3. App Permissions

The App may request access to certain device features and permissions to provide core functionality. You can manage or revoke these permissions through your device settings at any time.

Permission	Purpose
Photos/Media/Files	Required to select and upload images from your device library.
Notifications	Used to send you updates about the App.

4. Third-Party Services

We integrate certain third-party services to enhance App functionality and user experience. These services may collect and process data in accordance with their own privacy policies.

Analytics Services

- Firebase Analytics — For understanding user behavior and improving the App

Advertising Services

- Google AdMob — For displaying relevant advertisements

Crash Reporting

- Firebase Crashlytics — For identifying and resolving technical issues

Cloud Infrastructure

- Firebase — For backend services and text data storage
- Cloudinary — For image storage and processing

We recommend reviewing the privacy policies of these third-party services to understand their data practices.

5. How We Share Your Information

We respect your privacy and limit data sharing to what is necessary for providing and improving our Service.

5.1 Service Providers

We may share limited user information with trusted third-party service providers that help us operate the App and deliver core features, including:

- AI service providers for generating AI-powered content
- Firebase for users data storage, and management of user-created posts
- Cloudinary for storing and delivering user-uploaded or generated images
- Advertising partners (such as Google AdMob) for displaying ads and providing rewarded ad functionality

These service providers are authorized to use your information only as necessary to perform services on our behalf and are required to protect your information in accordance with applicable laws and this Privacy Policy.

5.2 Social Media Integration

If you choose to authenticate using LinkedIn or interact with LinkedIn features within the App, certain information (such as your name, email address, and profile picture) may be shared with LinkedIn to enable authentication and account functionality, in accordance with LinkedIn's privacy policy.

5.3 Legal Requirements

We may disclose your information when required by law, legal process, litigation, or governmental request, or to protect our rights, property, or safety.

We do not sell your personal information to third parties.

6. Your Privacy Rights

Depending on your jurisdiction, you may have certain rights regarding your personal information:

Right	Description
Access	You have the right to access all data associated with your use of the Service, including personal information, user-generated content, resume data, and any other information stored by the App.
Deletion	You have the right to delete all data associated with your account, including personal information, user-generated content (such as posts, text, and images), and resume data, subject to applicable legal obligations.

You may exercise these rights at any time by deleting your data within the App or by contacting us at **developerashraf13@gmail.com**. We will act on your request in accordance with applicable data protection laws.

7. Data Security

We implement industry-standard technical and organizational security measures to protect your information from unauthorized access, disclosure, alteration, or destruction.

- **Encryption:** Data is encrypted in transit using HTTPS/TLS protocols and may be encrypted at rest.
- **Access Controls:** Strict access controls and authentication mechanisms limit who can access your data.
- **Regular Monitoring:** We continuously monitor our systems for potential security vulnerabilities.
- **Secure Infrastructure:** We use secure cloud infrastructure and follow security best practices.

While we strive to protect your information, no method of transmission or electronic storage is 100% secure. We cannot guarantee absolute security but are committed to protecting your data to the best of our ability.

8. Data Retention

We retain your personal information only for as long as necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or permitted by law.

When your information is no longer needed, we will securely delete or anonymize it in accordance with our data retention procedures and applicable legal requirements.

You may request deletion of your personal information at any time by contacting us at **developerashraf13@gmail.com**.

9. Children's Privacy

Postify is not intended for use by individuals under the age of 13 (or the applicable age of digital consent in your jurisdiction). We do not knowingly collect personal information from children.

If we become aware that we have collected personal information from a child without parental consent, we will take steps to delete that information promptly. If you believe we have collected information from a child, please contact us immediately at **developerashraf13@gmail.com**.

10. Legal Compliance

This Privacy Policy is designed to comply with applicable data protection laws and regulations, including:

- **GDPR** (General Data Protection Regulation) — For users in the European Economic Area
- **CCPA** (California Consumer Privacy Act) — For California residents
- **Other Applicable Laws** — We comply with data protection laws in jurisdictions where we operate

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices, technology, legal requirements, or other factors. When we make changes, we will update the "Last Updated" date at the top of this policy.

We encourage you to review this Privacy Policy periodically. Your continued use of the App after any changes constitutes your acceptance of the updated policy.

12. Contact Information

If you have any questions, concerns, or requests regarding this Privacy Policy or our data practices, please contact us:

ASHdeveloper
Email: developerashraf13@gmail.com

We will make every effort to respond to your inquiry in a timely manner.
